Group size will be limited to 20, respecting supervision ratios. Registrations beyond each group of 20 will be placed on a waiting list as complete groups are confirmed. New groups will be confirmed as soon as possible. Occasional students will be accepted according to availability, with priority given to regular students. "Sporadic" use of daycare will be permitted, subject to the availability of space on the desired dates. Parents who wish to register their children for Pedagogical Days only must register as sporadic, indicating a preference for PP days.

Parents with children registered as full-time students must pay for all days where the daycare is open, regardless of whether their child is present or absent.

The decision to maintain the daycare depends upon the number of full-time registrations. The commitment to register as full-time is for the entire school year. Parents who withdraw their child as a full-time daycare student must give written notification to Sunny Days Daycare at least 2 weeks in advance of the desired withdrawal date.

Full-time daycare students registered on or before September 30, 2014 will not be charged supervision fees.

I wish to register my child as: Please check inside each box where you wish your child to attend daycare.
